## WORKSHOP

---

The workshops will be lead by domestic and international makers and makers themselves will participate into the product-making procedure. The spirit of makers is to “walk the talk” and bring the ideas to action instead of keeping it in mind.

## Application Guide

---

Free for free workshops, 500rmb/booth for charging workshops.  
Time arrangement will based on application order.

# Section X

## Vehicles

What does the most unordinary car you' ve ever seen look like? Those cars may not be open to the public in the market, or not suitable to ride on road, but they will surprise you and you probably can get a chance to take a ride with it.

## Application Guide

Space for each booth is 2m\*3m, includes 1 table and 3 chairs  
Booth is free for individual makers and maker organizations.  
500 rmb each for business makers (individuals who sell things during the exhibition)  
2500rmb each for companies.  
The organizer will examine the applications and arrange the booth.  
\* Companies will be mixed with other projects in order to show your service and products to the makers.

# Section XI

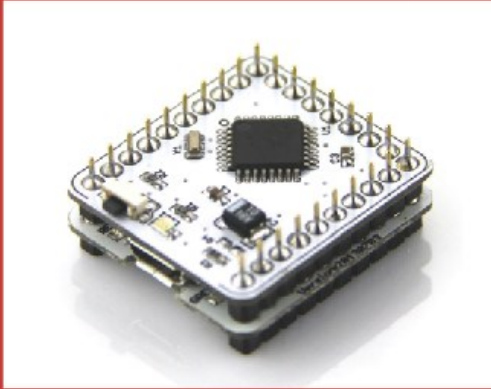

## A BIT OF ROBOT

Could there be any connection between makers and cooking? Certainly! Cooking and eating can be fun, no matter robot bartender, beer robot, molecular gastronomy, and simmer equipment, together with technology, they will lead a new trend to food industry.
